CRAFTSMEN**

TRAINING SCHEME

AUGUST 2023

To promote participation of women in Vocational Skill Training, DGT has launched Women's Vocational Training program i.e. **Craftsmen Training Scheme (CTS)** which is operational since inception in 1977, under which National Skill Training Institute (Erstwhile Regional Vocational Training Institute) for women were established to generate **Women Employment in the industry as Semi Skilled / Skilled & Highly Skilled Workforce**.

VISION

- To ensure steady flow of trained technicians / workers for the industry in different trades.
- To improve the quality and quantity for industrial employment / Self employment

MISSION (MOTTO)

In order to create high quality skilled power, technical programmes have been carefully designed in association with the industries & to improve the training quality to cope up with the industry requirement and to make the Digitalized institutes, par excellence.

Craftsmen Training Scheme (CTS) :

- Implementing in 33 National Skill Training Institutes (NSTI), 19 NSTI (Women) & 14 NSTI (General) across the country and 2 Extension centers.
- NSTIs (W) are exclusively for women. The Institutes have facilities for updating and upgrading skill levels in the field of Beauty & Wellness, Electronic & Hardware, Information Technology, ITES, Textile & Apparel, Travel Tourism, Catering & Hospitality, Architecture, Computer Operator & Programming Assistant, Desktop Publishing etc. The Institutes impart training for female candidates to make them competent, motivated and encourages the overall growth of an individual by including human values, concerns of society and environment through these training.

The NSTIs have identified at least 2 courses from the following new age courses under Craftsmen Training Scheme (CTS) and are offering training since August 2019 session under Dual System of Training (DST) scheme to partner with industries and establishments for conducting training programs under these technology driven courses and fulfil their skilled manpower requirements.:

1. Geo Informatics Assistant
2. Soil Testing & Crop Technician
3. Additive Manufacturing Technician (3D Printing)
4. Remotely Piloted Aircraft (RPA)/Drone Pilot
5. Electrician Power Distribution
6. Solar Technician (Electrical)
7. Technician Mechatronics
8. Internet of Things (Smart Agriculture)
9. Internet of Things (Smart Healthcare)
10. Internet of Things (Smart City)
11. Smartphone Technician Cum App Tester
12. Information Technology
13. Multimedia Animation & Special Effects
14. In Plant Logistics Assistant
15. Warehouse Technician

NSTIs are also offering training under high end CTS courses viz. Turner, Welder, Foundry man, Machinist, Tool & Die Maker etc. that requires expensive machinery, are in demand and mostly not taken up by Private ITIs. This will also enable NSTIs to optimally utilize the infrastructure.

Duration

The CTS courses are of 6 months, 1 year to 2 Year duration, both in Engineering & Non-Engineering Trades.

The Academic session

The academic session is based on Annual Pattern with the session duration from August to July every year.
