

PM-SETU ToT Programme at NSTI Bhubaneswar during September-2026

07–11 September 2026 | NSTI Bhubaneswar | Trade: Electrician

The **1st batch of the PM-SETU Training of Trainers (ToT) Programme** was successfully conducted at NSTI Bhubaneswar from **07 to 11 September 2026**, focusing on **AC & DC Motors and Controls**.

The programme was inaugurated by **Shri Gautam Chandra Saha, Regional Director/HOD, RDSDE Odisha/NSTI Bhubaneswar**, in the presence of **Shri A. K. Gupta, DD/HoO**, **Shri R. Kanna, AD**, **Shri. A.K. Garnayak, TO/Course Coordinator**, other officers, domain experts, staff members and deputed Government ITI instructors.

A total of **15 Government ITI instructors from Odisha, Jharkhand and Chhattisgarh** participated in the programme, gaining exposure to advanced technical concepts, practical applications and industry-oriented practices in the domain of electrical motors and controls.

Industry Exposure

As part of the programme, the participants also undertook an **industrial visit to the MEMU Car Shed, Khordha Road, Jatni (Railway)**. The visit provided valuable practical exposure to the participants and helped them connect classroom learning with real-world industrial applications.

Successful Completion

The five-day ToT programme concluded with a **valedictory programme**, marking the successful completion of the first PM-SETU ToT batch at NSTI Bhubaneswar. The Regional Director /HOD distributed the course completion certificates to the participants. The programme reflected the

commitment of **RDSDE Odisha** and **NSTI Bhubaneswar** towards strengthening the technical capabilities of ITI instructors and promoting industry-relevant skill development under the PM-SETU initiative.

21–25 September 2026 | NSTI Bhubaneswar | Trade – COPA/CSA

The **PM-SETU Training of Trainers (ToT) Programme** on “**Python for Data Science & Machine Learning**” was successfully conducted at **NSTI Bhubaneswar** from **21 to 25 September 2026** for Government ITI instructors from **Odisha and West Bengal**.

The programme was inaugurated by **Shri Gautam Chandra Saha, Regional Director/HOD, RDSDE Odisha**, in the presence of in the presence of **Shri S.S.Vasant, DD/HoO, Shri./Dr. A.R.Prusty, TO/Course Coordinator**, other officers, domain experts, staff members, trainees and deputed Government ITI instructors. The five-day programme focused on strengthening the trainers’ capabilities in **Python programming, Data Science and**

Machine Learning, enabling them to bring emerging digital technologies into the classroom and training ecosystem.

Industry Connect:

As part of the programme, an **industrial visit to Odisha Computer Application Centre (OCAC), Department of Electronics & Information Technology, Government of Odisha**, was organised for the participating instructors.

The visit provided valuable **real-time exposure to State Data Centre infrastructure and operations, State Cyber Security Operations Centre (CSOC)** and other network installations. The interaction helped participants understand how data, computing infrastructure and cybersecurity technologies are deployed in real-world government operations.

Successful Completion

The programme concluded with a Valedictory and Certificate Distribution Ceremony, celebrating the successful completion of the ToT programme and recognising the participation and learning achievements of the instructors.

The programme served as an important step towards **equipping ITI trainers with future-ready digital skills** and strengthening the capacity of vocational training institutions to respond to the rapidly evolving technology landscape.

Month of October -2026 ToT Program at a glance:

1. Drone Technician (05-09, Oct. 2026)

2. Solar PV System Installation And Maintenance (26-30, Oct. 2026)

PM-SETU ToT Programme at NSTI Bhubaneswar during October-2026

Training of Trainers (ToT) Programme in the domain of “Drone Technician” from 5 to 9 October 2026 for instructors from Government ITIs of West Bengal and Chhattisgarh.

The programme was inaugurated by **Shri Gautam Chandra Saha, Regional Director, RDSDE Odisha**, in the presence of other officers, domain experts, staff members, trainees, and deputed Government ITI instructors. The programme aimed to strengthen the technical competencies of ITI instructors in emerging drone technologies and enhance their readiness to deliver industry-relevant skill training.

As part of the programme, the participants undertook an **industry visit to BONV Aero**, providing them with valuable exposure to the practical applications of drone technology and industry practices. The visit helped bridge the gap between theoretical learning and real-world technological applications.

The programme concluded with a **Valediction and Certificate Distribution Ceremony** on 9 October 2026. The participating instructors received certificates upon successful completion of the training programme, marking an important step towards strengthening the drone technology training ecosystem in Government ITIs.

The programme reflects NSTI Bhubaneswar's continued commitment to advancing trainer competencies, promoting industry-oriented vocational education, and supporting the objectives of **PM-SETU (Pradhan Mantri Skilling and Employability Transformation through Upgraded ITIs)**.
