

OJT TRAINING | GUINDY ITI STUDENT

NIMI Conducts CAD-Oriented OJT for ITI Students

An On-the-Job Training (OJT) program was successfully conducted at the National Instructional Media Institute (NIMI), Chennai, as part of the Directorate General of Training (DGT) initiative to strengthen and upskill the ITI ecosystem. The program was organized under the guidance of **Shri N. R. Aravindan**, Deputy Director General (South Zone), **Shri T. V. Rajasekar**, Executive Director, **Smt. M. Rajeswari**, Joint Director, and **Smt. R. Esuari**, Deputy Director, with the active support of the NIMI team.

Students from **Government ITIs in the Draughtsman Mechanical trade** participated in the program and successfully completed their OJT at NIMI. The program provided focused exposure to industry-standard drafting practices and modern CAD applications, strengthening students' technical capabilities and readiness for professional roles.

As part of the training, they also undertook an OJT Assessment Test conducted by the NIMI CAD Department, and certified to enable a structured evaluation of their practical knowledge and technical competencies.

NATIONAL SKILL STANDARD | NIMI QB SECTION

Precision in Evaluation

Strengthening the National Skill Standard

- **State-Level Impact:** Finalized comprehensive assessment papers for DET, Tamil Nadu, covering dozens of trades including core subjects like Employability Skills.
- **Defense & Industry Alignment:** Streamlined technical question banks for the Agniweer (Army & Navy) programs and specialized Flexi MoU partners like Toyota.
- **Apprenticeship Growth:** Expanded and vetted fresh content for the Apprenticeship Training Scheme (ATS) to meet modern industrial demands.

This month, NIMI's Question Bank Development team reached a major milestone in standardizing assessments across the ITI ecosystem. By delivering high-quality, industry-aligned evaluation tools, we are ensuring that every trainee is trained against the best national benchmarks.

"NIMI is committed to providing the robust evaluation frameworks that turn trainees into certified experts."

NSTI Bhubaneswar Trainee Secures 2nd Place at National Welding League 2026

Ms. Laxmi Bari, a GITS Welder Trade trainee of the National Skill Training Institute, Bhubaneswar, has brought laurels to the institute by securing 2nd position in the GMAW category at the National Welding League 2026.

The competition was held in Bhubaneswar on the occasion of International Women's Day, celebrating women's excellence in technical skills. She achieved this feat under the guidance of her mentor **Shri. C Stalin**, Training Officer (Welder). Ms. Laxmi Bari was awarded with a certificate, trophy, and cash prize for her outstanding performance.

Heartiest congratulations to Ms. Laxmi Bari and her mentor for this remarkable achievement, which highlights the excellence of women in skilled trades.
